ACADMEMIC INFORMATION

Class Format	Most courses have 3 hours of lecture/contact time per week (either 3 classes at 1 hour each, or 2 classes at 1.5 hours each). At 13 weeks, most courses have a total contact time of 39 hours per semester (Fall/Winter). The contact hours do not include estimates for individual study, projects, exams or other work outside the classroom.
Course Load	The maximum, full-time course load at the University of Alberta is 5 courses (15 credits) per semester. Exchange students are advised to take 4 courses (12 credits) per term. Exchange students must take a minimum of 3 courses (9 credits) per term to maintain their student visa.
Course Listings	Exchange students will have access to a wide variety of courses in Finance, International Business, Marketing, Accounting, Organizational Analysis, Management and Small Business within the Alberta School of Business. Subjects from other UofA departments are available pending approval from the department. A list of current business courses may be found at catalogue.ualberta.ca/Course . Courses numbered 100-400 are at the Undergraduate level and 500-600 courses are for MBA studies. However, please be aware that certain restrictions may apply and therefore it is important to have some flexibility in your study plan.

HOUSING

For on-campus housing, apply online at www.residence.ualberta.ca. In order to submit an application, students will need their UofA ID number, CCID (Campus Computing ID) and password. The CCID and password are automatically created when the student is issued an ID number. Incoming students will be notified of this by e-mail when their applications are approved by the Registrar's Office.

STUDENT SERVICES

International Student Services	The International Centre and the School of Business International Office jointly provide various support services for exchange students. An extensive 3-day orientation is arranged in late August, and a one-day orientation is arranged in early January to help new international students adjust to life and study at the U of A. Staff members are consistently available to help answer questions, discuss concerns and assist in resolving any issues students may have. International Student Services also provide ways for interested students to get involved in the local community and facilitate interaction between international students and Canadians.
Academic Advising	Academic advising is available at the School of Business to provide assistance with planning a student's academic schedule if required. International student advisors are also available at the International Centre.
Campus Facilities	The University issues a student ID card to all students, which provides access to Campus Recreation and Fitness Centres, libraries, photocopy & printing resources, campus laboratories, as well as a wide range of other academic and recreational facilities. Students will also be able to use the University Health Centre (UHC), a walk-in medical clinic with full physician, nursing, and pharmacy services. Find out more about the University of Alberta and take a virtual tour at https://uofa.ualberta.ca/campus-life/ourcampuses/northsouthcampus .

Buddy Program	The Business Exchange Association (BEA) is a student association dedicated to assisting and integrating international students at the School of Business. The Association plans regular events and social gatherings throughout the semester that provide exchange participants with opportunities to mix with other students, make friends and have fun. In addition, the group organizes a "buddy" program, which connects incoming students to a Canadian student who can pick them up from the airport, help out with transportation and accommodation over the first few days in Edmonton, and be a resource for all sorts of assistance throughout the exchange term. For more information, please visit the BEA website at www.uofabea.ca .
U-Pass	The Universal Transit Pass (U-Pass) will give students unlimited access to all regular Edmonton area public transportation services for the duration of the academic term at an affordable price. The U-Pass is a partnership between the University and the three municipalities of Edmonton, St. Albert and Strathcona County. All students registered at the University of Alberta Edmonton Campuses are automatically enrolled in the U-Pass service. Fees are assessed and collected from exchange students by the International Centre upon arrival.
