Strengths: Liberal Arts, Business, Education, Nursing.

Important: While every effort is made to enroll exchange students in the courses requested on their applications, no guarantees can be made. Exchange students are urged to be flexible about the subjects and classes they take, and to be certain that they have had any prerequisites required for each requested class. Due to high demand, the Economics and Finance Department will enroll students in only one class. Exchange students who wish to take Finance & Economic classes should not plan to take classes which are considered core classes required for graduation at their home institution.

Information to obtain the visa: Students must prove that they have a bank account with sufficient funds to cover their exchange period. Currently, the amount is \$24,338/year or \$12,327/semester.

Deadlines: Fall and Full-Year March 1 /Spring Semester September 1
