VISA

Students on a one-term exchange programme (Non-EEA) can enter the UK under the Short Term Study Visa. Documentation will be provided after the application deadline has passed. To find out more, visit www.city.ac.uk/international/visa-immigration-advice/short-term-study and read the information carefully.

ACCOMMODATION

Due to the high demand for student halls there are very limited places for single term contracts. Prices and current room availability is available on request from the Study Abroad Office study-abroad@city.ac.uk. Alternatively you can apply for accommodation through the Student Centre once you have received your student ID number, which will be stated on your acceptance letter. Students who will spend a full academic year at City are eligible to apply for places in halls of residence and are more likely to be offered a room.

The City Student Centre also has information about properties for rent in the private sector. Further accommodation information is available at www.city.ac.uk/study/undergraduate/accommodation/international-and-exchange-students. For advice, contact the Student Centre at accomm@city.ac.uk or on +44(0)20 7040 7040.

The Student Exchange Office will also provide a list of private accommodation providers where previous students have stayed.

ASSESSMENT AND GRADING

Courses are assessed by coursework and examination. A grade of 40% for each component of the course is required to pass.

Please register your interest during the first week of your stay, if you would like to take an official alternative examination assessment during term time instead of returning to the University for the main exam period. Your last day of term would then be the last day of the teaching period.

Students joining Cass full-time for more than six months are eligible to receive free NHS hospital treatment in England.
