◆ Visa & residence permit

Prior to your departure, please check on the [French Ministry of Foreign Affairs](#) whether you are required to apply for a visa or not.

If you do not have a European passport, you must have a visa to study in France (even if you have a residence permit from a European country).

Exchange students are requested to provide the International Students Office with all official mandatory documents on the day of the Welcome Session (Please refer to your e-mails). Students who do not provide these documents cannot be accepted.

◆ Health / medical coverage

◆ EU students → Under 28 years old:

Visiting students coming from EEC countries must submit their European medical card. Citizens from Quebec must submit the SE-Q-106 form.

◆ Non-EU students → Under 28 years old:

Students must take out the French national health insurance scheme (sécurité sociale, approximately 215 €). It is mandatory under French law to be assigned to the French health insurance for students even if you have your own personal insurance in your country). However, the French social security starts on 1 September so students are required to be personally insured upon their arrival until that date.

◆ All nationalities → 28 years old and above:

Visiting students older than 28, from different nationalities are required to take out an international medical plan no matter the duration of their stay. Proof of their health insurance will be asked upon arrival.

Frequently asked questions

Q: What kind of orientation, if any, do you provide?

A: The International Students Office offers an Orientation session which includes social activities and informational meetings. (Residence permit, medical coverage/care in France, academic information, etc.).

Q: What teaching methods are used?

A: Tutorials, lectures, workshops, seminars. Please consult the courses syllabus.

Q: What is the regular workload?

A: 30 ECTS is the regular (and maximum) workload per semester for EDHEC students, the minimum workload is 20 ECTS. We have no rules for visiting students concerning the number of courses or credits that must be taken. The home university decides what the requirements are for their students (unless it is a Double Degree seeking student in which case they take all courses in their study programme, like regular EDHEC students). However, we strongly recommend a for Simple Exchange students workload of 30 ECTS.

Q: Can I change my course choice after the beginning of classes?

A: Once the Learning Agreement is approved by your home institution and signed, the **modification** of your course choice **is not allowed**. We strongly advise students to review carefully the syllabus of each course before choosing it, and to consult your coordinator before making a definite choice.

Q: Is class attendance mandatory?

A: Yes, class attendance is mandatory for exchange students, absences, early leaves are not allowed during the exchange period, and sick leaves should be justified by a medical report. Beyond 1 absence per 15h course or 2 absences per 30h course, the penalty shall be a 2-point deduction from the final grade, this rule being applicable to all courses. In certain cases, students may be refused permission to sit their final exams.

Attendance in classes is vital as it is not only the best interest of the student to attend classes regularly, but it also guarantees that groups function properly.

A: The planning is flexible and could be subject to modifications, so we advise you to check the schedule on daily basis. Please note that there is no online courses, so you are expected to stay until the last day of the semester.

A: Official transcripts are sent to home university by email. Students have access to their grades and official transcripts via their web Aurion account. For Fall semester: in February. For Spring semester: in June/July

Please note that EDHEC cannot sign any placement contract for Simple exchange students and French companies. Students must make arrangements with their home university. Visa procedure during the internship period should be checked with the French Embassy in the home country.
