Mandatory Health Insurance and Health Requirements

International students at Indiana University are required to have health insurance for their entire stay in the United States. Students who have obtained insurance in their home country that meets this requirement can apply for a waiver of the mandatory insurance. Students who do not apply for a waiver are enrolled automatically in an insurance plan through IU and will be billed for the costs. Details on IU's student health insurance and costs are here: <http://ois.iu.edu/living-working/health/insurance/index.shtml>.

Indiana state law requires all Indiana University students to present proof of vaccinations against certain diseases. Students receive information from the Office of International Services (OIS) on how to submit this information after their official admission to IU.

Students who are not United States citizens or permanent residents follow these steps to obtain a visa:

- ✓ Apply to and be admitted by IU
- ✓ Demonstrate the ability to cover specific costs of university study in the United States, approximately \$7,500 per semester (*estimate only*).
- ✓ Students should take the DS-2019 document they receive in their IU Admissions packet to the U.S. Embassy or Consulate in their home country to apply for a J-1 visa. The DS-2019 document will be sent via postal mail to the exchange partner contact and can only be created and signed by IU after all required information has been received from the student.

Students who have questions or problems regarding their visa application can contact Indiana University's Office of International Services at (812) 855-9086 or intlexch@iu.edu.
