

What former exchange students say about...

... the city

"Mannheim is [a] greater city than I thought before. There are many things to do here and I can take the train here from Mannheim to any parts of Europe!"

"Its [the Luisenpark's] beautiful landscape and relaxing atmosphere make it a perfect place for a tour or just a walk."

"life here seemed to be quite straight-forward, i.e. clear, simple, reliable ways to get tasks done."

...the people

"Great international student body."

"I liked the way exchange students were motivated to do activities together. An exchange is not only meant to study, but to get to know other cultures."

"excellent organization of the university; availability of student advisers both from international office and from Business School; friendliness of staff in general."

...the University facilities and courses

"The library was also really good, good opening hours and enough space to use."

"Universität Mannheim is a beautiful school, with modern classrooms and teaching facilities."

"I liked getting my text books for free from the library which was very affordable."

"Great courses and excellent faculty."

"It was a fun challenge, and very different from the school system in Sweden."

"I liked that you had the possibility to attend both lectures, exercises and tutorials."

...in general

"Thank you very much for a fantastic year! My experience at Uni Mannheim was a once in a lifetime opportunity, and I not only learned so much academically but also grew personally. Since this year I am now absolutely convinced I want to live and work in Germany, so hoffentlich bis bald!!"
