Ross course descriptions can be found at:

<http://www.bus.umich.edu/CourseManagement/CourseDescriptions.asp>

Exchange students are not permitted to take core courses. Also, students should note prerequisite requirements for all classes. If students would like to register for a course that has prerequisites, they must work directly with the instructor to provide the relevant documentation indicating they are prepared to take the course. The Ross Registrar's Office will assist the students with this process

Please note that due to the MBA course registration timeline, incoming MBA exchange students may have difficulty securing classes for the Fall Semester. We encourage MBA students to consider attending Ross during the Winter Semester in order to participate in the bidding process.

Nomination Process: Home school coordinators should nominate students via the **online Student Nomination Form**, which will be emailed to them by the Global Student Experience Manager. Once nominated by their home school, incoming students will use the University's online International Programs portal, [M-Compass](#), to complete an application and provide the necessary documentation*.

Nomination Deadlines: Fall Semester (September-December): April 1st
Winter Semester (January-April): July 1st

***Required Documents:** International Exchange Application, Affidavit of Financial Support, Financial Documentation (bank statement or official bank letter), Passport Copy

Language of Instruction: English

Language Requirement: The University of Michigan requires students to have demonstrated proficiency in English. Minimum requirements as suggested by the University are:

IELTS: 6.5-7.0 range
TOEFL (PBT): 600
TOEFL (IBT): 100

Language Courses: Foreign language courses are offered at the undergraduate level (if allowed by the home institution).

Academic Requirements: Exchange students should have completed basic core courses before coming on exchange and should note prerequisite requirements for individual courses. A home school transcript may be required to prove completion of prerequisites during course registration.

Full-time Workload: Graduate students are required to register for a minimum of 9 credit hours to be considered a full-time student and fulfill F-1 visa requirements. Most MBA students take 12-15 credit hours per semester, and the maximum number of credits allowed is 18 per semester.

Undergraduate students are required to register for a minimum of 12 credit hours to be considered a full-time student and fulfill F-1 visa requirements. Most BBA students take 12-15 credit hours per semester, and the maximum allowed is 18 per semester.

Students' home institutions may have different requirements for coursework at Ross. Exchange students should contact their home institution to determine these requirements.

Exams: Exams are traditionally in mid-late October and mid-late December during the Fall term and late February and mid-late April for the Winter term. However, this can vary by course. Please review the [Academic Calendar](#).

Transcripts: Ross Global Initiatives will send an official, electronic transcript to each partner school at the end of the term. However, exchange students who would like to have hardcopies of the University of Michigan transcript can order them through [Wolverine Access](#).

Grading: MBA Grade Policies and Scholastic Requirements

Ross School of Business uses a five-level grading scale for MBA students:

Excellent (EX): Performance that is of superior quality. No more than 25 percent of the students in a core course shall receive this grade.

Good (GD): Performance that exceeds all the standard requirements of the course.

Pass (PS): Performance that meets all the standard requirements of the course.

Low Pass (LP): Performance that minimally meets the standard requirements of the course.

Fail (F): Performance that does not satisfy the minimal requirements of the course and is deficient on significant dimensions. No credit toward the degree will be granted for the grade of "Fail," but the grade will be used to evaluate academic standing.

There are no Honor points associated with the grade designations and no grade point averages appear on transcripts. Some courses may be graded under other University school or college guidelines and some may be graded on a mandatory Satisfactory/Unsatisfactory, Pass/Fail, or Credit/No Credit basis.

BBA Grade Policies and Scholastic Requirements

Letter Grade	Grade Points	Letter Grade	Grade Points
A+	4.4	C	2.0
A	4.0	C-	1.7
A-	3.7	D+	1.4
B+	3.4	D	1.0
B	3.0	D-	0.7
B-	2.7	E	0.0
C+	2.4	F,NR,X,I,Y	0.0

No credit toward satisfaction of degree requirements is granted for courses in which a student receives grades of E, F, NR, I, Y and X. Courses elected under the Satisfactory/Unsatisfactory, Pass/Fail, or Credit/No Credit policies are not considered in computing grade point averages.

Housing: Global Initiatives does not provide on-campus housing. However, Global Initiatives will provide the incoming exchange students with [resources for securing housing](#). It is important that the exchange students look for housing as soon as they are nominated, as housing can be difficult to secure in Ann Arbor, particularly for the Fall semester. Please note that campus rents vary considerably depending on location and housing type.

The Ross School of Business also has its own fitness center on the lower level that students may use for a fee. The University of Michigan also offers several free recreation facilities on campus to all students.

The academic advisor can schedule Skype calls prior to the start of the term as well as serve as a resource during the entire semester.
