YOUR CONTACTS AT LAURIER INTERNATIONAL

Anne-marie Henry
Coordinator, Global Engagement Programming (Waterloo campus)

ahenry@wlu.ca
T: +1.519.884.0710 x4702

Incoming nominations and applications, and incoming student support (after acceptance to Waterloo campus).

Allison Donahue
Student Abroad Advisor (Waterloo)

adonahue@wlu.ca
T: +1.519.884.0710 x3784

Outgoing student support, supervision of student numbers and reciprocity.

Mike Boylan
Coordinator, Global Engagement Programming (Brantford campus)

mboylan@wlu.ca
T: +1.519.756.8228 x5437
Outgoing and incoming student support (Brantford campus).

Phyllis Power
Manager, Global Engagement Programming

ppower@wlu.ca
T: +1.519.756.8228 x5661
Maintenance and renewal of institutional agreements.

Ben Yang
Director, Global Engagement
byang@wlu.ca
T: +1.519.885.0710 x6842

WATERLOO

Our Waterloo campus is located in the thriving, culturally diverse community of Kitchener-Waterloo (K-W), which is one hour west of Toronto. This city offers plenty of hiking trails, golf courses, skating rinks, soccer fields and even a ski hill. With a population of about 356,000, K-W is small enough to be safe and easy to get around, yet big enough to provide great restaurants, shopping and entertainment.

Programs available at Waterloo:

Faculty of Arts

Faculty of Music (only available for partners with specific agreements)

Faculty of Science

Lazaridis School of Business and Economics

BRANTFORD

Our Brantford campus is rooted in the downtown core, offering students a unique campus life experience. Brantford is approximately a one-hour drive from Toronto. The city has a population of over 97,000 and has a small-town feel with big-city amenities. Proud to be the hometown of hockey's Great One, Wayne Gretzky, Brantford is a city where sporting events and recreational activities are an integral part of community life.

Programs available at Brantford:

Faculty of Human & Social Sciences

Faculty of Liberal Arts

Lyle S. Hallman Faculty of Social Work

ACADEMICS

Laurier can accept undergraduate and graduate students. To apply at the graduate level, students must have four years of university experience in the topic they would like to study before arriving at Laurier.

Students must be registered as full-time students when studying at Laurier. For undergraduate students, a full-time course load is four courses. For graduate students, a full-time course load is three courses.

Students in the MBA program will be permitted to take a maximum of three courses from the MBA program. The remainder of their course load may be selected from the offerings in the BBA or MA (Business Economics) programs. Most MBA courses are offered at night in order to allow local students who are working full-time and studying part-time to attend.

Students are permitted to take courses across faculties (e.g. a Business student can take a course from the Faculty of Arts), provided they have permission to do so from their home institution.

Students can take courses at the Waterloo OR Brantford campus, but not both, as the campuses are too far apart.

CHOOSING COURSES

The maximum number of courses that students can take at Laurier is five courses. As a guideline, 0.5 WLU credits (one course) is equal to 6 ECTS. Courses offered through the Centre for Online Learning are not generally available to exchange students.

Students will need to choose their courses when they submit their application, and can view [course descriptions](#) and [course schedules](#) before selecting. Students are asked to provide their top five course choices, as well as secondary choices. When noting secondary choices, students should choose different courses and not simply list additional sections of their top choices.

Laurier International will work to register the student in their top choices, but there is no guarantee courses will be available. For example, there may be no space left in the class or the student might not have the required pre-requisite knowledge. Before submitting their choices, students should verify there are no time conflicts by using the [Visual Schedule Builder](#).

Please note that exam retakes are not allowed.

GRADING

Students should familiarize themselves with Laurier’s grading system for [undergraduate students](#) and [graduate students](#).

Graduate students must attain at least a B- grade in each course. Any letter grade below B- is recorded as an F on the student's official transcript.

TRANSCRIPTS

One official transcript will be sent to the partner university after the study period has ended.

Additional transcripts can be ordered online from Service Laurier, for a fee, at [wlu.ca/transcripts](#). Transcripts for Fall term students will be mailed by the end of February, and transcripts for Winter term and full-year students will be mailed by the end of June.

Laurier will not release the transcript to the partner university if the student has outstanding debts to the university.

ACADEMIC CALENDAR AND DATES

[wlu.ca/calendars](#)

	FALL SEMESTER	WINTER SEMESTER
Orientation >	Aug. 31–Sept. 5, 2018	Jan. 4, 2019
Beginning of Classes >	Sept. 6, 2018	Jan. 7, 2019
Study Break >	Oct. 8–12, 2018	Feb. 18–22, 2019
End of Classes >	Dec. 5, 2018	Apr. 5, 2019
Exam Period >	Dec. 8–21, 2018*	Apr. 10–30, 2019*

* Students are advised not to make travel commitments during the final exam period before confirming their exam schedule. Exams will not be rearranged. Students must be present at Laurier for exams and cannot write their Laurier exams at their home institution.

APPLICATION PROCEDURES

The first step is for exchange coordinators at the home institution (not students) to complete the online nomination form found at [wlu.ca/global](#).

APPLICATION DEADLINES

Fall/Winter 2018/2019 (September- December)

Nominations are due: **April 30, 2018**

Exchange Applications accepted until: **May 15, 2018**

Winter 2018 (January - April)

Nominations are due: **September 30, 2018**

Exchange Applications accepted until: **October 15, 2018**

English Language Requirements: All incoming exchange students must have sufficient English language skills to be successful in their program of study. While we do not require exchange students to complete a TOEFL, we do rely on our partner universities to nominate students with sufficient English skills.

As a guideline, please ensure students requesting admission at the **undergraduate** level have reached the following minimum requirements:

CAEL: overall score of 70 or higher, with each band at 60 or higher

IELTS: academic score of 6.5 or higher

MELAB: overall score of 85 or higher

TOEFL: Internet-based testing: overall score of 83 or higher with a minimum score of 20 in each component. Paper-based testing: overall score of 573 or higher.

For students requesting admission at the **graduate** level, please ensure they have reached the following minimum requirement:

CAEL: overall score of 70 or higher, with each band at 60 or higher

IELTS: academic score of 90 or higher

MELAB: overall score of 90 or higher

TOEFL: Internet-based testing: overall score of 89 or higher, with a minimum score of 21 in each component. Paper-based testing: overall score of 573 or higher.

STUDENT FEES

Student fees are invoiced prior to a student's arrival and payment can be made online through CIBC International Student Pay or upon arrival. The fees listed below are approximate and subject to change.

1. Universal Health Insurance Plan (UHIP)

\$240/term

UHIP is a mandatory charge for all students and a student is automatically enrolled prior to arrival. UHIP provides coverage for basic medical services and treatments a student might need to maintain good health while living in Canada.

If a student has existing coverage through one of a very few pre-approved plans, they may be exempt from this insurance. Every student will need to pay upfront and then apply to be reimbursed.

2. Supplementary Health & Dental Plan

These plans are mandatory for students who do not have existing equivalent coverage. If you wish to opt out of these plans, you will need to provide sufficient documentation of existing coverage.

Undergraduate Students

\$218/term

The Student VIP coverage plan includes drug coverage, extended health coverage, vision coverage, dental coverage, travel coverage and accident coverage.

Students studying at Laurier for the fall term or the full year are automatically enrolled in this plan prior to arrival. Any student with existing coverage that is equivalent to this plan will have the option to opt out.

Students studying at Laurier in the winter term have the option to opt in to this plan, if they do not have existing equivalent coverage. If a student plans to travel outside of Canada while studying at Laurier, we highly recommend this plan, as it has travel coverage.

Graduate Students

\$550

The Student Care Plan includes coverage for prescription drugs, vaccinations, health practitioners (massage therapists, chiropractors, psychologists, etc.), vision care, travel health and dental care. Graduate students are automatically enrolled in this plan prior to

their arrival. A student with existing equivalent coverage will be able to opt out. The fee is for 12 months of coverage. A student can apply to be refunded for any unused amounts upon returning home.

3. Bus Pass

This fee applies to both undergraduate and graduate students and is mandatory; students are not able to opt out.

Waterloo Students

\$82/term

This pass gives students unlimited access to the local transit system, Grand River Transit.

Brantford Students

\$48/term

This pass gives students unlimited access to the Brantford City Transit system.

4. Additional Estimates Expenses

Accommodation	\$550-750/month
Food	\$300/month
Telephone	\$50/month
Textbooks	\$500/term
Optional exchange student activities	\$250/term
Transportation from the airport (one-way)	\$100

Other expenses to consider include appropriate clothing for weather; household supplies, leisure and entertainment, and travel. Additional expenses will vary, depending on the student.

HOUSING/ACCOMMODATIONS

The Department of Residence has a limited supply of rooms in university residences available for exchange students. Demand for rooms is much greater than supply, particularly for students studying in the fall semester.

Residence is designed to meet the needs of first-year students and includes a mandatory meal plan, so many exchange students prefer to seek off-campus housing, which is available through private rentals. Information about both options is sent to students once they have been accepted to study at Laurier.

STUDENT SERVICES

Laurier International offers services to all international students to support their transition and academic success at Laurier. Student advising is accessible to students throughout the term.

Orientation days are scheduled prior to the start of classes in September and January. Attendance is mandatory.

Exchange students will be paired with a Global Engagement Student Ambassador (GESA) before their arrival. GESAs are Laurier students who volunteer their time to help support exchange students through their transition to Laurier and Canada.

Special events and activities are scheduled throughout the term for exchange students, including a camping trip, trips to sporting events, local farmers' markets and other off-campus festivals and outings.

Students are invited to take part in our **Intercultural Certificate**, which is offered to students each term.

Laurier International encourages all students to represent their home institution at the Global Opportunities Fair in mid-October. The fair promotes all of our exchange partnerships, as well as international field courses and international at home activities.

Exchange students have access to all the services offered on campus, including the library, Athletic Centre, pool, Centre for Student Success, Student Wellness Centre, Career Centre, student clubs, Centre for Student Life and Engagement, and many more.

Student wellness is a priority at Laurier and our goal is to provide students with seamless, coordinated care and collaborative services at our **Student Wellness Centres** on each campus. Students may access a number of wellness professionals in order to enhance their health and well-being while at Laurier. These professionals may include doctors, social workers or counsellors, registered nurses, chiropractors, registered massage therapists and psychiatrists.

Accessibility learning is available to students who have a permanent or temporary disability. This includes undergraduate and graduate students and is provided through the **Accessible Learning Centre**.

There are a number of services and programs available, including alternate format services, assistive technology, note-taking, tutoring, peer support, learning strategies and study skill development.

IMMIGRATION INFORMATION

The Government of Canada regulates international study permits and visas through Immigration, Refugees and Citizenship Canada. Students can find information by getting in touch with the Canadian consular office near them before arrival in Canada.

Study permits: All international exchange students studying in Canada must have a valid study permit, except in cases where the duration of the program of study is six months or less. However, we strongly encourage all exchange students to apply for a study permit (even if the duration of study is less than six months) since it is not possible to apply for an initial study permit from within Canada. In addition, full-time international students who hold a valid study permit, may take a part-time job on campus while they are registered students. International students who do not hold a valid study permit are not eligible to work in Canada at all.

Electronic Travel Authorization: Starting March 15, 2016, visa-exempt foreign nationals who fly to or transit through Canada will need an electronic Travel Authorization (eTA). Exceptions include U.S. citizens and foreign nationals with a valid visa. Immigration, Refugees and Citizenship Canada can confirm if a student needs an eTA.

Temporary Resident Visas (TRV): Citizens of certain countries require a Temporary Resident Visa (TRV) to enter Canada. A TRV is not the same as a study permit. A TRV gives the student permission to enter Canada, whereas a study permit gives permission to study in Canada. Immigration, Refugees and Citizenship Canada provides a list of countries that require a TRV. TRVs cannot be issued within Canada. They are available only at a Canadian Embassy, Consulate, or High Commission outside of Canada. Students must apply for a TRV, if required, before entering Canada.

We look forward to welcoming you to Laurier!
